Dear Ms. Shinsato:

Subj: DOCKET NO. 2006-0386, HECO 2007 TEST YEAR RATE CASE

On April 19, 2007, the Department of Defense (DOD) filed its initial set of information requests to Hawaiian Electric Company, Inc. (HECO), numbered DOD-1 to DOD-4. On May 1, 2007, the DOD filed its second set of information requests to HECO, and through inadvertence these were numbered DOD-1 to DOD-72.

Because of the potential for confusion in answering the two sets of information requests, and to minimize disruption given that both sets of information requests have already been filed with the Commission, DOD and HECO have agreed to treat the DOD's second set of information requests filed May 1, 2007, as being numbered DOD-5 to DOD-76. HECO will provide its responses to the DOD's second set of information requests keyed to the numbering system DOD-5 to DOD-76. Any further DOD information requests will be numbered consecutively, starting with DOD-77.

Should there be any questions on this, please contact me at my new office telephone number, 472-1195.

Very truly yours,

RANDALL Y.K. YOUNG
